Premium Box Electric Fan Heaters

(2019 Models)

The Climate King BX series is a range of heavy duty industrially styled electric box fan heaters. Available as either 1-Phase and 3-Phase models the BX series encompasses heat outputs from 2kW up to 22kW. Each model in the range has a stainless steel heating element, metal fan blades, selectable heat output levels and adjustable thermostats for high efficiency. Each model in the BX series also features a quality powder coated steel case with either an insulated ergonomic carrying handle or combined support legs and carrying handles making them ideal for use in workshops, garages, greenhouses and building sites. The smaller 1-Phase and 3-Phase models are supplied with an integrated power cord fitted with either a UK plug or 3-Phase 16 amp 5 pin connector. The larger 3-Phase 400v models are equipped with a 3-Phase 5 pin socket on the unit and require a separate 3-Phase power cable of the correct rating and type (not supplied).
