

Thank you for purchasing a Sealey product. Manufactured to a high standard this product will, if used according to these instructions and properly maintained, give you years of trouble free performance.

**IMPORTANT: PLEASE READ THESE INSTRUCTIONS CAREFULLY. NOTE THE SAFE OPERATIONAL REQUIREMENTS, WARNINGS & CAUTIONS. USE THE PRODUCT CORRECTLY AND WITH CARE FOR THE PURPOSE FOR WHICH IT IS INTENDED. FAILURE TO DO SO MAY CAUSE DAMAGE OR PERSONAL INJURY AND WILL INVALIDATE THE WARRANTY. PLEASE KEEP INSTRUCTIONS SAFE FOR FUTURE USE.**

### 1. SAFETY INSTRUCTIONS

#### 1.1 GENERAL SAFETY

- ▲ **DANGER!** Take care when using and moving platforms in the vicinity of power cables - risk of potentially fatal electric shock.
- **WARNING!** Ensure Health and Safety, local authority, and general workshop practice regulations are adhered to when using this equipment.
- ✓ Maximum weight capacity for this platform is 115kg. The weight of user plus tools and materials should not exceed 115kg.
- ✓ Always check all hinge locking mechanisms. Make sure hinges are in the locked position before using. Inspect all parts prior to each use. Discontinue use if any parts of the platform are missing, damaged or worn in any way.
- ✗ **DO NOT** attempt to fix a damaged platform. Always have a qualified repair person fix the damaged platform.
- ✗ **DO NOT** use any other attachments, components or accessories not sold or recommended for this platform.
- ✓ Always set platform up on firm, dry, stable, level ground for max. stability.
- ✗ **DO NOT** try to increase the height of the platform in any position by placing anything under the platform feet.
- ✓ Always use caution when getting on or off platform.
- ✗ **DO NOT** use the platform while under the influence of alcohol or drugs of any kind.
- ✗ **DO NOT** set up the platform in front of doors that are not locked.
- ✓ Always use extreme caution when using platform on a dust sheet, carpet or other protective surface as this may prevent the rubber feet from gripping the surface properly.
- ✗ **DO NOT** stand on platform whilst trying to release the locking levers.
- ✓ To avoid pinching injuries, use extreme caution when folding or extending platform sections. Keep all body parts away from hinges and moving sections of the platform.
- ✗ **DO NOT** attempt to fold down the leg sections until the locking levers are both released.
- ✗ **DO NOT** force the locking levers. If they should become stuck, lift that section lightly to remove the weight from the hinge. Then attempt to lift the lever again.
- ✗ **DO NOT** attempt to jump, walk or move platform while on it. If you need to move the platform get off it first. Move it, then reposition yourself.
- ✗ **DO NOT** attempt to push or pull anything while on the platform as this may cause the platform to tip and you to fall.
- ✓ Always stand in a well balanced position on the platform
- ✗ **DO NOT** To avoid losing balance and/or tipping platform, never overreach.
- ✓ This platform is not a toy and is not meant for use by or near children. Never leave platform set up and unattended.
- ✗ **DO NOT** attempt to use the platform on stairs.
- ✗ **DO NOT** use the platform in windy, rainy or icy conditions as it may become slippery as a result.
- ✓ Always wear skid resistant shoes while using this platform.
- ✗ **DO NOT** place/use platform on a slippery surface.
- ✓ When not in use store in a safe, dry, childproof area.
- ✓ Keep the work area clean, uncluttered and ensure there is adequate lighting.
- ✓ Always ensure both catches are engaged before use.
- **WARNING!** **DO NOT** use the platform on sloping or uneven ground.
- **WARNING:** The warnings, cautions and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood that common sense and caution are factors which cannot be built into this product, but must be applied by the operator.

### 2. INTRODUCTION & SPECIFICATION

- 2.1 **Introduction:** Folding and portable aluminium platform with 115kg capacity. Large, ribbed non-slip platform and treads for safe and

easy manoeuvrability. Durable aluminium alloy frame with ribbed feet provides extra stability. Safety locking catches on legs. Folds flat for easy storage and transportation. Platform size: 300 x 800mm.

#### 2.2 Specification

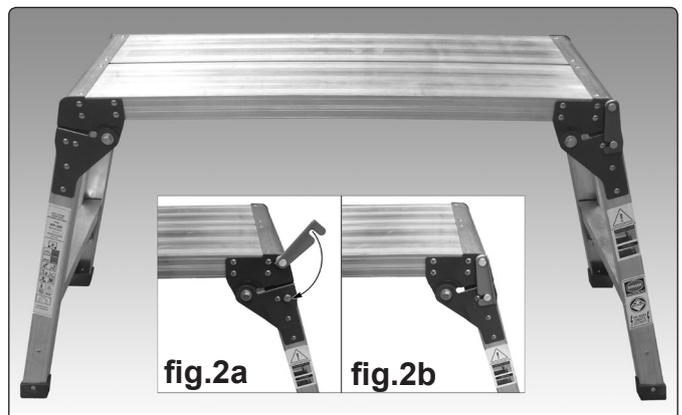

Treads .....	2
Platform Height .....	605mm
Platform Size .....	300 x 800mm
Overall Width .....	400mm
Overall Length .....	1250mm
Weight .....	5.6kg

### 3. ASSEMBLY & USE

**IMPORTANT:** Before using the platform at work, a risk assessment should be carried out in accordance with the legislation in the country of use.

- **WARNING!** Take particular care when opening out or folding down the platform legs to avoid pinching injuries by keeping all body parts (including those of other people) away from hinges and moving parts.
- 3.1 Before opening out the legs ensure that the two locking levers are in the transit position (i.e. parallel with the top of the platform) as shown above in fig.1.
  - 3.1.1 Fold both sets of legs out fully, ensuring that the stops on the two halves of each hinge are in full, face to face contact.
  - 3.1.2 Turn the platform the right way up and rotate the locking levers (one at each end) clockwise as shown in fig.2a. Ensure that the slot in each locking lever is fully engaged with the locking pin on the appropriate leg as shown in fig.2b.
  - 3.1.3 If you have not already done so, you must read the safety instructions before positioning and using the platform.

**NOTE:** It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

**IMPORTANT:** No liability is accepted for incorrect use of this product.

**WARRANTY:** Guarantee is 12 months from purchase date, proof of which will be required for any claim.
